CC Docket No. 02-33

May 11, 2011

Manawa Telephone Company, Inc.(MTC) hereby provides notice that it intends to cease offering wireline broadband Internet access service on a tariffed basis. Effective July 1, 2011 MTC will begin offering wireline broadband Internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order.¹ The geographic areas affected are those MTC exchanges where DSL is technically feasible.

Today, this service is provided to Wolfnet the ISP within Manawa Telephone Company's nonregulated business. Wolfnet purchases wireline broadband access service for use as a component in their broadband Internet service sold to residential and business consumers. End users service provided by Wolfnet will not be affected by the discontinuance of the tariffed offering by MTC. As stated in the attached customer notice. MTC will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement. Broadband Commercial Agreements will be made available in a nondiscriminatory manner to any provider desiring to purchase wireline broadband access service for use as a component in its broadband Internet service sold to consumers.

Effective July 1, 2011, MTC will make its wireline broadband Internet access service on a permissive detariffed, common carriage basis through posting of rates, terms and conditions available in printed copy during normal business hours at MTC's business office located at 131 2nd St., Manawa, 54949.

¹See *Appropriate Framework for Broadband Access to the Internet Over Wireline Facilities. Universal Service Obligation of Broadband Providers*, CC Docket No. 02-33, WC Docket No. 05-271. RE: Service Notification

Dear Valued Customer:

Our records indicate that Wolfnet is currently purchasing wholesale broadband transport services from Manawa Telephone Company, Inc. ("MTC") under NECA tariff No. 5 ("Tariff"). This letter is to advise you that MTC's study area 330905 including the Manawa and Ogdensburg exchanges will discontinue provisioning service on July 1, 2011 pursuant to the Tariff. Services will be made available to you on a common carrier non-tariffed basis. The existing relevant rates, terms and conditions will not change until the end of your term or until replaced by a Broadband Commercial Agreement.

The rates, terms and conditions for the Broadband Commercial Agreement will be made available in printed copy during normal business hours at MTC's business office located at 131 2nd St. Manawa, WI 54949 and also be posted on Manawa Telephone Company website at www.manawatelephone.com.

The actions described above are taken in accordance with the FCC's Report and Order (FCC 05-150) release September 23, 2005 in Docket No. 02-33. In this order the FCC determined that facilities-based wireline broadband internet service providers could offer their services on a common carrier, permissively detariffed basis.

No action is necessary on your part. However, if you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Thomas R. Squires".
